# Announcement 5<sup>th</sup> Conference on Learning Factories in Bochum, Germany

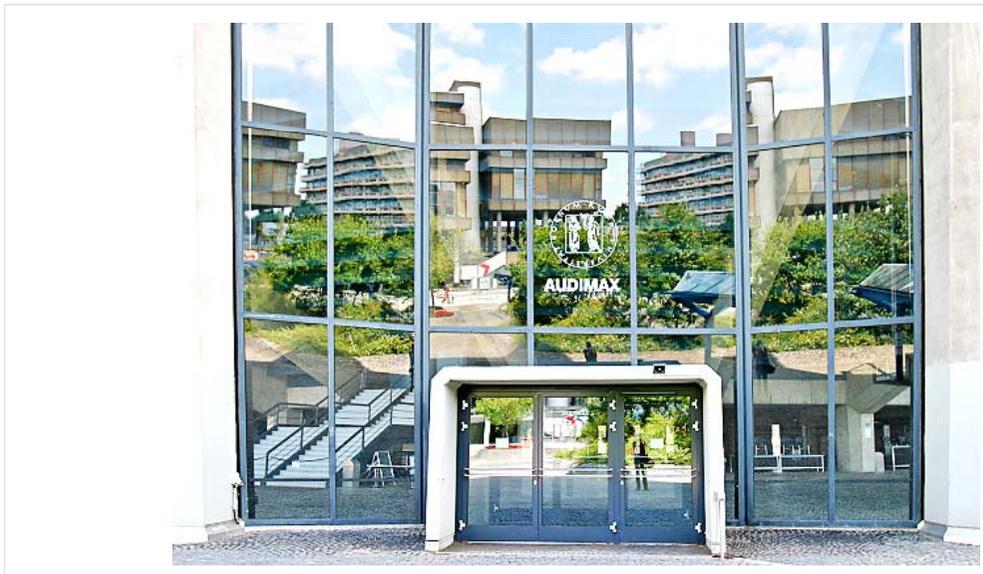

**Faculty of Mechanical Engineering**  
**Chair of Production Systems**  
Prof. Dr.-Ing. Horst Meier  
Prof. Dr.-Ing. Dieter Kreimeier

- Now one of Germany's ten largest universities
- 20 faculties with 150 study programs
- 41,000 students, including 7,506 engineering student
- 462 Mio. € budget, including 95.6 Mio. € external funding
- 11 CRC / Transregios, 21 Research groups, 6 Research Departments

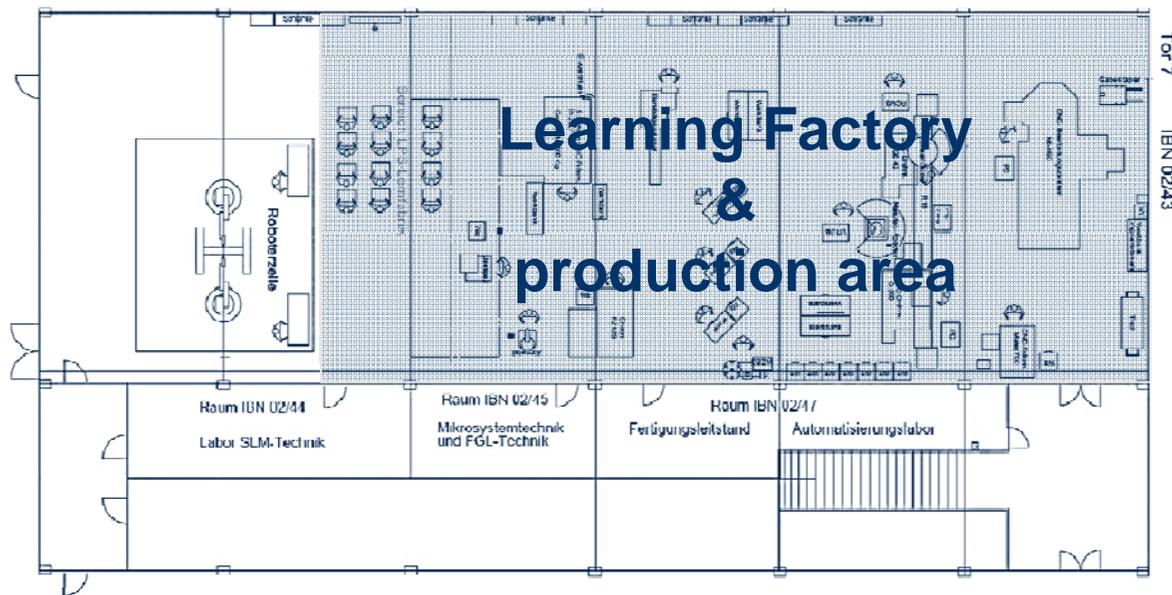

- The strongest faculty in engineering science at RUB
- 5300 students; women's quota of 20%
- 5 institutes with 23 chairs

### 5 Institutes

- Product and Service Engineering
- Energy Technology
- Thermo and Fluid Dynamics
- Materials
- Mechanics

- Integrated in the LPS pilot plant

\*1 Continuous Improvement Process

\*2 Management and organization of work

\*3 Netzwerk Innovativer Lernfabriken

# Warm Invitation to the Next Conference on Learning Factories in Bochum, Germany!
